Employer Application Guidelines

Objectives

The Department will cooperate with private sector firms with business activities directly in the energy sector, to create jobs and provide educational opportunities for **Nova Scotia post-secondary students and recent graduates** throughout the Province.

Duration of the Program

The Department will provide funding for a **minimum work term of twelve (12) consecutive weeks** and up to a **maximum of seventeen (17) consecutive weeks (the Funding Period)**. **Please note that co-op students require a minimum of fourteen (14) consecutive weeks.**

In order to meet these requirements, co-op students start date must be on or before May 22, 2017. Non co-op students start date must be on or before June 12, 2017.

The 2017 Funding Period is from May 1 – August 25, 2017.

Deadlines

The committee will process applications as they are received. Employers are urged to **submit applications early** as the program is experiencing increased demand.
