

Employment in the offshore sector:

- For general career and industry information in the energy sector visit: [www.gov.ns.ca/energy/careers/](http://www.gov.ns.ca/energy/careers/).
- The Canadian Association of Petroleum Producers (CAPP) is the voice of Canada's upstream oil, oil sands and natural gas industry. If you want to learn more about the oil and gas industry across Canada please visit: [www.capp.ca/](http://www.capp.ca/). There is a list of websites that are useful for pursuing a career in the oil and gas sector found at the bottom of this page: [www.capp.ca/aboutUs/careers/](http://www.capp.ca/aboutUs/careers/).

Offshore operators are committed to ensuring that full and fair opportunities for employment, procurement and contracting are provided for Nova Scotian and Canadian individuals and companies in all activities relating to offshore Nova Scotia. Please find below, information on how to access contracting and employment opportunities in our region and globally:

- For interest in ExxonMobil's Sable Offshore Energy project: [www.exxonmobil.com/Corporate/careers.aspx](http://www.exxonmobil.com/Corporate/careers.aspx)
- When Encana's Deep Panuke Project (DPP) has employment opportunities, job postings for the positions are posted on Encana's corporate website at: [www.encana.com](http://www.encana.com) under the Careers tab, as well as the Atlantic Canada career website at: [www.careerbeacon.com](http://www.careerbeacon.com). If you are interested in seeking employment with the DPP, please check these two websites from time to time for potential employment opportunities.
- Single Buoy Moorings (SBM), the operator of the DPP production platform offshore Nova Scotia, also recruits for various positions onboard the production platform. To view any SBM employment opportunities and to apply online, please visit their website at: [www.sbmoffshore.com](http://www.sbmoffshore.com) or the Atlantic Canada career website at: [www.careerbeacon.com](http://www.careerbeacon.com).
- Major contractors to Deep Panuke may also seek assistance from time to time. Information on major Deep Panuke contractors is located here: <http://www.encana.com/operations/canada/deeppanuke/business/contractors.html>
- As well, Deep Panuke information is located on the Encana website at: [www.encana.com/deeppanuke](http://www.encana.com/deeppanuke).

Specific to the Shell Seismic Program offshore Nova Scotia:

- For contracting opportunities related to Shell's Shelburne Basin offshore Nova Scotia project, go to: [www.bids.ca](http://www.bids.ca). All requests for expressions of interest (EOI) and requests for proposal (RFP) are posted there.
- If you wish to apply for employment with Shell in Nova Scotia, elsewhere in Canada or outside of Canada, please go to: <http://www.shell.ca/careers>.
- If you wish to qualify to work for Shell and get on the global bidder's list for access to international work, please go to: <http://ca.uacontractor.com>.
- WesternGeco is the selected seismic contractor for the Seismic program offshore Nova Scotia. If interested in a worldwide employment opportunity with WesternGeco visit the Schlumberger Career Website: <http://careers.slb.com/>
- Reliance Offshore is the crewing provider for WesternGeco for the upcoming Shell project. Any crew looking to apply for this or any other offshore jobs should visit this website: [www.relianceoffshore.com](http://www.relianceoffshore.com).

For employment with BP Energy Canada Group please visit: [www.bp.com](http://www.bp.com).
