### Pengrowth-Nova Scotia Energy Scholarship Program

c/o Nova Scotia Department of Energy  
Joseph Howe Building  
1690 Hollis Street 11th Floor  
PO Box 2664  
Halifax, Nova Scotia B3J 3P7  
**Attention: Review Committee**

**Nova Scotia** is developing a world-class energy sector.

Offshore oil and gas, a growing renewable energy industry, excellent professional and technical education and training programs – they all come together here in Nova Scotia, leading to great prospects for rewarding, well-paid careers.

The Pengrowth-Nova Scotia Energy Scholarship Program can help you achieve success when you choose to develop the knowledge and skills needed to work or conduct research in this exciting field. Scholarships valued at \$10,000 (\$2,500 renewable over four years), are awarded annually to students completing grade 12 at a Nova Scotia high school with the intent to pursue energy-related studies at university.

Pengrowth-Nova Scotia Energy Scholars are well-rounded individuals with a variety of interests who have an established track record of community involvement through activities like volunteer work, sports and other community-based activities.

### Eligibility Requirements:

- Must be accepted into an accredited post-secondary educational institution for studies in business, science or engineering at the bachelor level
- Must be graduating from a Nova Scotia secondary school with an average mark of 75 per cent or B in your final year (Grade 12)
- Must not be receiving other scholarship support exceeding \$2,500
- Must be a Canadian citizen or landed immigrant and a permanent resident of Nova Scotia
- Must be prepared to demonstrate interest in an energy-related career through an essay included in the application

### Student Responsibility

Part A – Personal Information

Part B – Supporting Documentation\*

Part C – One Page Essay

### Guidance Responsibility

Part D – High School Information

Part E – Guidance Signature & Transcript

Preference will be given to students planning to attend a Nova Scotia university. Students who have not yet applied for university admission are urged to do so in time to meet the scholarship application deadline, keeping in mind that universities often take three to four weeks to process applications.

All efforts will be made to notify award recipients and their school in advance of graduation. Once recipients have been notified, they will be provided with follow-up documentation covering the acceptance and disbursement conditions of the award.

\*Supporting letters from immediate family will not be accepted.

“Immediate family” is defined as a parent, sister, brother, grandparent, aunt, uncle, niece, nephew, child, stepchild, grandchild, ward, spouse or common-law spouse.

The Pengrowth-Nova Scotia Energy Scholarship Program is not open to “immediate family” members of Nova Scotia Department of Energy employees.
