\* These projects have been issued new approval dates to ensure that the PPA effective date is the same as the COMFIT approval date

\*\* These projects have been granted Ministerial Extension.

\*\*\* According to section 20 of the Renewable Electricity Regulations, for the purposes of clause 4A(8)(f) of the Act, in addition to the entities

As of August 14, 2015

listed in clauses 4A(8)(a) to (e) of the Act, each of the following entities qualifies as a generator for a community feed-in-tariff:  
 (f) the Kwilmu'kw Maw-klusuaqn Negotiation Office.

**\*\*\*\*“ As per Section 48 of the Renewable Electricity Regulations affected parties have 60 days to appeal a Ministerial Decision”**

As per COMFIT Directive 8, distribution capacity for these projects was awarded to other projects, making them ineligible for the COMFIT rate. Applicants were formally notified that their projects were in competition and were encouraged to work collaboratively to find a solution. This has resulted in some inactive projects
