\*\*\* According to section 20 of the Renewable Electricity Regulations, for the purposes of clause 4A(8)(f) of the Act, in addition to the entities listed in clauses 4A(8)(a) to (e) of the Act, each of the following entities qualifies as a generator for a community feed-in-tariff:  
 (f) the Kwilmu'kw Maw-klusuaqn Negotiation Office.

\*\*\*\*“ As per Section 48 of the Renewable Electricity Regulations affected parties have 60 days to appeal a Ministerial Decision”

As per COMFIT Directive 8, distribution capacity for these projects was awarded to other projects, making them ineligible for the COMFIT rate. Applicants were formally notified that their projects were in competition and were encouraged to work collaboratively to find a solution. This has resulted in some inactive projects
